## H.O.P.E. Grant – Application Detail

The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox at least 2 weeks prior to the H.O.P.E. review meeting. Completed applications will be made available to H.O.P.E. Membership prior to the review meeting and copies will be on hand at the meeting for additional review prior to voting.

**1. Describe the proposed need/project/program and the objectives it would accomplish.** *Second grade would greatly benefit from having mentor text books to improve comprehension and understanding. Having a variety of texts for students to choose from will encourage reading and again improve the understanding of the reading strategies, genres, lessons, and activities being taught.*

**2. What is the estimated cost of the project/program? Please summarize and attach itemized list.** *Total Amount for texts: \$224.28  
I attached a list of the books with an image, skill they will be used to help teach, and price.*

**3. Who and how many would benefit from this project/program? What would be the impact on students/staff?** *The students in my second grade classroom would greatly benefit from having these texts as a resource. We are incorporating many genres and skills into our Reading curriculum and these texts would give students a better understanding of the skills being taught.*
