H.O.P.E. Grant – Application Detail Form

The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox (heyworthhope@gmail.com) at least 2 weeks prior to the H.O.P.E. review meeting. Completed applications will be made available to H.O.P.E. Membership prior to the review meeting and copies will be on hand at the meeting for additional review prior to voting.

1. Describe the proposed need/project/program and the objectives it would accomplish.

Our Pre-K students have been enjoying the sand table which a HOPE grant generously provided for our classes last spring. We'd like to add one more table in order to allow even more children to play together. We have approximately 50 Pre-K children on the playground together in the mornings and kindergarten has even more students outside at the same time.

2. What is the estimated cost of the project/program? Please summarize and attach itemized list.

Rob Deiter has made one table for us and we would like to have him make a second table for us to allow even more children to play at the same time. When our morning Pre-K and ECE classes are on the playground together, we have approximately 50 students playing at the same time. The cost of the second table would be \$490 plus an additional \$100 for sand which he would provide.

3. Who would benefit from this project/program? What would be the impact on students/staff?

Sand tables provide students with an opportunity for sensory and creative play without the mess of playing in the dirt. They also provide an additional play area on the playground that promotes cooperative playing and sharing.
