H.O.P.E. Grant – Application Detail Form

The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox (heyworthhope@gmail.com) at least 2 weeks prior to the H.O.P.E. review meeting. Completed applications will be made available to H.O.P.E. Membership prior to the review meeting and copies will be on hand at the meeting for additional review prior to voting.

1. Describe the proposed need/project/program and the objectives it would accomplish.As

As a second grade team, we would like our students to each make a canvas painting to be sold at the Hoedown. This would be in lieu of an auction item. We would like for each student to paint a canvas painting which would then be up for sale the night of the auction. Miss Brooks will work with the students on the paintings during art class. The materials needed surpass her budget, so we would like to use a grant to purchase the materials. All of the profits would of course be donated back to HOPE.

These would also be available to parents to purchase after the Hoedown as well, for parents and families who are unable to attend. Another idea is parents may also make a donation for pictures that aren't purchased to be displayed in the art room or the classroom for the remainder of the school year.

2. What is the estimated cost of the project/program? Please summarize and attach an itemized list.

The estimated cost is \$105.27. Miss Brooks is able to order the materials needed at a discount.

Items from Dick Blick

-6 pints of assorted premium grade tempera paints: \$26.40

-7, canvas packs (12 per pack) of 8"x8" canvases: \$12.99 ea

Total: \$138.87 - 20% discount = \$111.10

Items from Walmart

-2, 50 count packs of sawtooth hangers: \$7.58ea

Total: \$15.16

Total from both stores: \$105.27 (free shipping)

3. Who and how many would benefit from this project/program? What would be the impact on students/staff?

The entire school would benefit, as the money raised would go into the proceeds raised from the Hoedown. This is about \$1.50 spent per 2nd grader. If the paintings are sold at \$10 each, this has the potential to make around \$700 profit that will go into the Hoedown fund to benefit the students and school.
