## H.O.P.E. Grant – Application Detail Form

The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox (heyworthhope@gmail.com) at least 2 weeks prior to the H.O.P.E. review meeting. Completed applications will be made available to H.O.P.E. Membership prior to the review meeting and copies will be on hand at the meeting for additional review prior to voting.

1. Describe the proposed need/project/program and the objectives it would accomplish.

**Our current 1st grade reading curriculum and resources are 10 years old. We as a team would like to offer our first grade students reading books and leveled readers that are more up to date with current stories and authors that our students will recognize and relate to. This series would offer our students current language Arts reading resources and help we as teachers guide our instruction to Common Core State Standards.**

2. What is the estimated cost of the project/program? Please summarize and attach itemized list.

**We are requesting the full \$2,500 since we will be reaching all first grade students.**

- **see attached**

3. Who and how many would benefit from this project/program? What would be the impact on students/staff?

**This year alone we would be meeting the needs of more than 70 students. We would continue to implement this curriculum to upcoming first grade students for the next 8-10 years, which will serve up to a minimum of 700 first grade students.**
