The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox (heyworthhope@gmail.com) at least 2 weeks prior to the H.O.P.E. review meeting. 1. Describe the proposed need/project/program and the objectives it would accomplish.

Our current kindergarten curriculum and resources are around 10 years old. We as a team would like to offer our kindergarten students leveled readers that are more up to date with current stories and aligned with the reading series we just purchased. These readers would offer our students current Language Arts reading resources and help we as teachers guide our instruction to Common Core State Standards.

2. What is the estimated cost of the project/program? Please summarize and attach itemized list.

We are requesting \$2,942.50 since we will be reaching all the kindergarten students.

- Please see attached Quote

3. Who and how many would benefit from this project/program? What would be the impact on students/staff?

This year alone we would be meeting the needs of more than 65 students. We would continue to implement this curriculum to upcoming Kindergarten students for the next 8-10 years, which will serve up to a minimum of 650 kindergarten students.
