

H.O.P.E. Grant – Application Detail Form

The goal of H.O.P.E.'s grant program is to enable supplementary financial support to Heyworth Elementary staff for the end benefit of student education/enrichment. The below questions should be completed to provide a more detailed description of the grant request. The application form should not exceed one typed page. Completed applications should be submitted along with the Grant Request Application Form to the H.O.P.E. mailbox (heyworthhope@gmail.com) at least 2 weeks prior to the H.O.P.E. review meeting. Completed applications will be made available to H.O.P.E. Membership prior to the review meeting and copies will be on hand at the meeting for additional review prior to voting.

1. Describe the proposed need/project/program and the objectives it would accomplish.

Legacy Mosaic Stepping Stone: Pat Tomlin proposed the idea of having each 6th grade class complete a stepping stone for the school garden as a way to remember each class as they leave for the Junior High. The stones will be completed in Art class. Last year, Miss Brooks received a grant for the stepping stone materials, including tiles, cement, a mold, and tile cutters. This year, and every year after, only tiles and cement will be needed.

2. What is the estimated cost of the project/program? Please summarize and attach itemized list.

\$39.28 This covers mosaic tiles and cement.

3. Who and how many would benefit from this project/program? What would be the impact on students/staff?

The entire 6th grade would have a chance to be a part of this project. However, the whole school would benefit, including staff. The stone will be placed in the garden at the school for students and staff to enjoy for years to come.
